

SAE 30

Short Description

SAE 30 High Performance Oil

Description

A lighter straight-grade viscosity oil characterized by its proven protection and performance. Along with its Penn Grade 1[®] straight-grade counterparts, the **Brad Penn[®] Penn Grade 1[®] SAE 30 High Performance Oil** offers excellent film strength and an effective detergency package and is a good choice for the legacy muscle car/street rod. Excellent oil for vintage and air-cooled applications requiring a straight grade oil.
