## Short Description

### Single Clamps

## Description

Separate, organize, and support all types of hose, tubing, and wire. Made For You offer an economical and lightweight alternative to expensive aluminium and metal products.

Engineered to "pre-load", working as their own lock washer, Made For You T-Clamps hold tubing, hoses, and wire away from the application, thereby eliminating vibration and paint chaffing.

- Will not melt, fade, stain, corrode or discolour.
- Will not crack or break from heat or cold.
- Unaffected by automobile fluids, including brake, fuel, and coolant.
