

# Steel Bonnet Pins

## Short Description

Steel Bonnet Pins

Give us a call on 09 525 6858 to find out price and availability.

## Description

Steel bonnet pins, suitable for all forms of motorsport, including Race, Rally, Autograss, Track day, Oval Racing and more. The Steel bonnet pins feature a captive slide pin and 7/16" UNF thread shank

These widely used bonnet pins have the retaining pin in a channel so there is no wire to spoil the look ( or catch the scenery ! ) These are made in steel and come in silver.
